WARDEN LLP**

LITIGATION BOUTIQUE YETTER & WARDEN LLP is known for its outstanding results in complex business and technology cases. Founded by Super Lawyers Paul Yetter and David Warden seven years ago, and stocked with top attorneys from the best law schools, the firm has won more than \$600 million in judgments and settlements for plaintiffs and achieved many zero-dollar judgments for defendants. Whether representing plaintiffs or defendants, large multinational companies or entrepreneurs, the firm has one objective—to achieve the best results for its clients.

PRACTICE AREAS: Complex business and technology litigation, including contract, business

tort, securities, trade secret, construction, antitrust, patent, and other intellectual property litigation.

INTELLECTUAL HORSEPOWER: Yetter & Warden combines the credentials and talent of a big firm with the personal attention and hands-on involvement of a boutique. Seasoned senior attorneys with more than 150

ONE THING, AND
WE DO IT RIGHT.”**

years experience between them, including former federal judge Finis Cowan, team up with talented, committed younger attorneys to manage client disputes from start to finish. “We help clients solve their biggest problems,” says Paul Yetter, recently named one of the 2004 Top Ten trial lawyers in the country by the *National Law Journal*. “That’s what we do best.”

INTERNATIONAL CLIENTS: In recent years, the firm has expanded its international presence, representing a number of non-U.S. companies in American courts, as well as in arbitrations. “We firmly believe that our justice system in the U.S. is a fair forum for any nationality in the world,” says David Warden. “We have proven time and time again that a French or Japanese or Saudi company or individual can get fair treatment in the U.S. courts.” Client successes have included an eight-figure settlement in a dispute over drilling rights in Yemen, a \$400 million cash settlement for limited partners against a major hotel corporation, the successful defense of an Indonesian businessman in an international arbitration in Geneva, the first major cyber-trespass injunction in Texas, and a \$137 million jury verdict in Nevada for an Australian mining firm.

SIGNIFICANT CASES: Yetter & Warden welcomes cutting-edge, high-stakes cases. Winning these requires aggressive, creative legal reasoning and strategy, and Yetter & Warden’s unwavering dedication and innovative approach continues to result in success for its clients.

Says Warden: “When you practice law, you are able to affect society in many ways. We’re trying to do our part by making sure that our clients get complete justice.”
